POST CARD

Dear kids,

I just got back from visiting a city I've been to before. I started my trip in Bicelle. After that, I curved around to the west, ending up in Mjebes. I stopped in Bradashesh while en route to Mjebes, and this was the westernmost part of my trip. From Mjebes, I went straight to Elbasan, the highlight of the trip. I finished my journey with a beeline to Tregan from Elbasan.

Hope to see you soon!
