Twin Cities Logic Puzzles By: Sierra Grandy

This puzzle hunt has three parts. After you complete each part you will have a word. At the end put all three words together and you will have your winning phrase. Good luck!

You are meeting with some of your friends every day for coffee at some local coffee shops in Minnesota, each day you visit a different friend, in a different city, and you go get some coffee with them at different coffee shops.

1) Sierra works on Wednesdays and Fridays, so she will be unable to meet you then.

2) Minneapolis and Saint Paul are both too far for Katie to drive, so she won't meet you there.

3) Thomas either goes to Saint Paul or Daily Dose Coffee, but not both.

4) Sierra goes to coffee the day before Tom.

5) Peet's is in St. Cloud.

6) Thomas has to go to his Dungeons and Dragons game on Wednesdays, so he is unavailable then to meet up with you.

7) Sierra doesn't want to go to Spyhouse or to Daily Dose

What city do you meet Sierra to get coffee?:

You had so much fun with your friends getting coffee last week that this week you are setting up times to meet up with other friends to see some of your favorite Minnesotan museums. Each person you invite will go to one museum, only once this week. There they will excitingly show you their favorite exhibit.

- 1) Zach either sees sculptures at the Bell Museum or fossils at the Minnesota Institute of Art
- 2) Natalie is unavailable on both Tuesday and Wednesday, but she is excited to see the machinery with you
- 3) Dakota will either see the painting on Friday or the sculpture on Tuesday
- 4) The paintings are seen at the Walker Art Museum on Thursday
- 5) D'Andre visits either the Bell Museum or the Walker Art Museum the day after Zach visits either the Science Museum or the Minnesota Institute of Art.
- 6) D'Andre looks at the paintings with you exactly two days after you go to the Bell museum with Dakota.

- 1) Sara enjoys volunteering at the local theatres to help make custom costumes and do their makeup. She also enjoys going to the community garden, so she can help get food to people in need. She will work with you at one of these places
- 2) Nolan volunteers the day after Jess at either Interact, helping out artists with disabilities or helping with NAMI-MN, a mental health organization focusing on support and education.
- 3) When you clean up trash around the garden you and your friend will use #trashtag
