

Puzzle Walkthrough

Because the letter ends with (-R), take the letter R out of each coded word to get “TsstS helep euoda mmcii uiann”.

Next, the word COLUMNS is capitalized and (5 by 5) is in parentheses. By putting each word into a column as shown below, you get a 5 by 5 square. You can then read from left to right and reveal: “The museum is located in Spain”.

T	h	e	m	u
s	e	u	m	i
s	l	o	c	a
t	e	d	i	n
S	p	a	i	n

Then, by entering “Spain” into the password box, you unlock the video.

The word TIME is capitalized in the description of the video. This tells you to look for timepieces and clocks.

At various points in the video, pictures of clocks are shown. By reading the hour and minute hands as minutes and seconds, you will uncover 5 different times during the video. When you go to each specific time and write down the letter shown, you get the anagram OPADR. After unscrambling the anagram, the answer is PRADO.

The museum that is going to be robbed is the **Museo Nacional del Prado** in Madrid, Spain.
